

NOSH & GROG

— PROVISIONS —

Large Group Parties

Our most memorable times in life are when we are socializing with friends, co-workers or family. Our space, service and menu are focused on the natural flow of interacting with others and sharing for a more social and memorable event with sharing trays – dishes to “Nosh On”

Mingling Groups – *Our trays allow you and your guests to mingle, to walk around with drinks, to socialize freely and still have plenty to “nosh-on”.*

Seated Groups - *Trays are served for sharing for seated groups they are served family style as shared plates to the center of the table, reminiscent of a traditional Sunday supper with plenty to “nosh-on”.*

Pick a minimum of 3 items (we recommend 3-5 items). Each tray serves 10 people. On Friday and Saturday nights we have a \$45 per person food and beverage minimum.
